**Wekiva High School Band Program
Home of The Marching Mustangs
2024-2025 Request for Donation**

Dear Community Member,

The Wekiva High School Band Program is essential to the spirit of Wekiva High School and the community. Our band program is committed to achieving excellence in arts and education. We strive to provide a positive learning environment that contributes to academic success, teaches teamwork and cooperation, promotes healthy competition, and enhances pride in self and community. My name is Mr. Jonté Petty, and I am honored to be the Director of Bands at Wekiva High School (WHS).

Our band students always look forward to reaching new heights in musicianship and performance opportunities, each new school year. Some upcoming opportunities include:

- ✓ *Home and away WHS Football Games*
- ✓ *District 8 Marching Band Music Performance Assessments (November 2024)*
- ✓ *Florida Classic (Orlando, FL), (November 2024)*
- ✓ *All County Honor Band Performance (January 2025)*
- ✓ *District 8 Concert Band Music Performance Assessments (March 2025)*
- ✓ *Florida A&M Wind Band Festival (Tallahassee, FL), (April 2025)*
- ✓ *Annual Band Banquet (April 2025)*
- ✓ *State Concert Band Music Performance Assessments, (April 2025), etc.*

None of the opportunities mentioned or others will be possible without the support of parents, family, friends, the school, and the community. It is no secret that funding for music programs across the country has been an issue in recent years; and less than 5% of our funding comes from the school district. **With a continued goal of "Going from Great to Greater," our band program relies on fundraisers, ad sales, donations, and sponsorships** to keep growing. To meet our goal, the WHS Band Program is in dire need of your financial support, to purchase instruments, band warmups, music equipment, guest clinicians, scholarships, field trips, performance transportation, music supplies, and more.

We appeal to your generosity and sense of concern to provide us with a donation, on behalf of our program and the students we serve, for many of them need help to participate due to economic restriction. Your donation or sponsorship will provide the funds needed to fully support the WHS Band Program. The additional support you give to the WHS Band Program is what will make our program stand out in the community and across the state.

Please make checks payable to The Wekiva High School Band

I hope that we can count on you.

Thank you for assisting our youth by helping us provide a positive and enriching experience that we work hard, each year, to achieve for our students, Wekiva High School, and the community.

Sincerely,

Mr. J. Petty, M.M.Ed.
Director of Bands
